Statuary

Holy Infant Mary (La Divina Infantita). In 1840 at the Convent of San Jose in Mexico City, there was an apparition of an infant baby girl dressed as a queen lying on white clouds, who was the Blessed Virgin Mary. The infant girl said, "I will grant all the Graces to the people who honor me in my childhood because it is a very forgotten devotion." The Mother Abbess of the Convent had a meeting with Pope Gregory XVI, who not only incorporated everything, but also approved it for indulgences. The main feast is on September 8th, the birthday of the Blessed Virgin Mary. Hand-painted plaster with glass eyes. Includes dress (approx. 20") with headband and booties. (16") **33553 \$280.00**
